Mrs Hughes	Aaron G	Maizee-Jai C
Mrs Bailey	Maxwell R	Frankie Y
Mrs Slinger	Rowan P	Grace F
Miss Mutch	Harry S	Jack D

Attendance 17th -21st June

Well done Mrs Cross' class
100%

Northallerton Homegrown Food Festival

Thank you to everyone who supported school at the Food Festival last Sunday. The sun really brought out the town and a super day was had by everyone. Our stall, collection buckets and raffle ticket sales raised a fabulous amount for school funds. This money will be put directly back into enhancing our resources for the children. A special thanks to Mrs Hobbs and the PTA for getting our very professional looking stall together.

Year 3/4 tennis

A group of 10 children represented Team Applegarth at the tennis on Wednesday afternoon. They played hard and came back with bronze medals. For some, this was their first time winning a medal and they were over the moon with their achievement. Thank you to Mrs Barugh for taking them to the event and to the children for their fabulous attitude.

Robinwood

Year 6 had a fabulous time at Robinwood this week. On the next page of the newsletter some of our school ambassadors have written a piece about their experience. There are also lots of pictures, more of which can be found on the school [blog](#).

It was lovely to hear that the children were complimented on their behaviour and manners by the staff at Robinwood.

Thank you to Mrs O'Toole, Miss Mutch and Mrs Parsons for giving up their time to accompany the children on this exciting adventure.

robin wood

Activity Centres

On Monday 23rd June 2024, some of the Y6s went to RobinWood. After a two hour long bus journey, they arrived, met their team leaders (who put them into three groups: Mountain, Crag and Ridge) and walked a thirty-minute long walk to the site.

Activities

Once they arrived at the site, they had lunch and got straight on with their activities. Different groups did different activities at different times. Here's the activities they did:

- * Archery
- * Canoeing
- * Caving
- * Challenge Course
- * Climbing
- * Crate Challenge
- * Giant Swing
- * Nightline
- * Piranha Pool
- * Quest
- * Raft Building
- * Trapeze
- * Zipwire

Mina- "I really enjoyed RobinWood. The activities and natural view were amazing to do and see. My favourite activity was the Giant Swing."

Finley- "RobinWood was fun for all and it really pushed us out of our comfort zones."

End of Year Reports

Your child's annual report will be sent out on **Friday 12th July**. In previous years, we have sent out paper copies in envelopes (required under GDPR regulations), and in some cases multiple copies to each family).

This year, we will also send reports in digital format via email. This is a trial to assess whether we go fully digital next year.

The cost of printing is very high: at least 540 colour reports (2425 pages minimum = **£485**), buying 265 envelopes (**£30**) and using several days of admin time (priceless!).

An advantage of a digital report (as well as saving money) is that you can share it directly with family members who can then print their own copies.

By making lots of small savings like this, it means we will continue to have the funds to support the incredible experiences you can see on the previous pages...

We will get some feedback in autumn term and take your views into consideration before making a decision for reports next year.

School Calendar

Event	Class	Location	Date and Time

10 Top Tips for Parents and Educators

PROMOTING PHYSICAL WELLBEING

Physical activity isn't only beneficial for our bodies; it also plays a role in promoting mental wellbeing. With both the Euros and the Olympics this summer, it's an opportunity to engage young people in regular exercise which can reduce stress, improve mood and boost self-esteem. Despite these benefits, many children face barriers to participating in physical activity.

1 MAKE IT FUN

Incorporate activities that children enjoy, such as playing games or dancing. Encourage participation in team sports or group activities to foster social connections and a sense of belonging.

2 MIX MOVEMENT WITH LEARNING

Educational settings can incorporate movement breaks and physical activities to enhance focus, concentration and cognitive function. Embedding exercise into the curriculum can also reinforce learning and stimulate creativity. Fun activities like podcasts and flashcards can benefit older learners.

3 CREATE OPPORTUNITIES

Provide clear chances for physical activity throughout the day, both indoors and outdoors. Schools can encourage active play during breaks and at lunchtimes, while limiting screen time at home can help keep children up and about.

4 PROVIDE POSITIVE REINFORCEMENT

Praise and encourage children for their efforts and achievements in physical activity. Recognise their progress and celebrate their successes to reinforce positive behaviours. Educators could do this in several ways, such as displaying their efforts at assemblies or celebrating their accomplishments in newsletters.

5 VARIETY IS KEY

Introduce a selection of physical activities to keep children engaged and prevent boredom. From swimming and cycling to yoga and martial arts, trying different types of exercise can help children to discover what they enjoy most.

6 ENJOYMENT OVER COMPETITION

Encourage children to focus on the enjoyment of physical activity rather than winning or achieving perfection. Emphasise effort, improvement and having fun rather than outcomes, to minimise the amount of stress that children can sometimes associate with sports and other competitions.

7 SET REALISTIC GOALS

Help children set achievable physical activity targets based on their interests, abilities and preferences. Celebrate their progress and successes to maintain motivation and enthusiasm.

8 MAKE IT ACCESSIBLE

Ensure that children have access to safe, suitable spaces for exercise at home, at school and in the community. Advocate for inclusive environments which accommodate diverse needs and abilities. So a change maker in your community if facilities aren't already available.

9 LEAD BY EXAMPLE

Parents and carers can be positive role models by prioritising their own exercise and involving children in their fitness routines. Gentle walks, bike rides or sports activities can be wonderful opportunities for bonding and staying active together.

10 ENCOURAGE PERSISTENCE

Help children develop resilience and persistence by encouraging them to overcome challenges and setbacks in physical activity. Teach them the importance of perseverance and the value of effort in achieving their goals.

Meet Our Expert

Adam Gilbert is a learning and development specialist who, as well as working for Minds Ahead, is associate vice principal for personal development at a large secondary school in Barnsley. He was asked to be part of an expert research group for the Department for Education, one of only three school leaders to be asked to do so.
