

Friday 13th December 2024

What a week of performances! Well done to our KS1 children for a wonderful Nativity and to Panto Club who put on a great show with “No-one Wraps Like an Elf”. We definitely have some budding thespians amongst us!

Parental support is hugely valued at Applegarth and I would like to extend our thanks to you for your generosity in supporting the Christmas Fair as well as the raffles/ refreshments during Christmas performance. The money is still being counted but we are at well over £2000!

PTA distribute this money to school based projects, including £5 per child contribution to educational visits, which is deducted from the charge to parents. They have replaced the oven in the baking room which allows us to continue to offer this aspect of Design & Technology.

We need to ensure the long term success of our PTA so if you are able to offer help in any form, please see the poster below.

Christmas Tree Festival at All Saints Church

Christmas card club made the decorations and decorated the tree on Monday night, ready for the Christmas Tree Festival that is happening this weekend at All Saints Church.

Mrs Jones and the choir performed today which was amazing to witness. It has got us all in the festive spirit!

SAFEGUARDING NOTICES

Safeguarding is everyone's responsibility

We are trying to promote 'Choose Respect' with the children in school this term. Part of our safeguarding agenda is to promote safe ways of dealing with conflict on the playground without resorting to getting physical (e.g. pushing and shoving).

We are asking all parents to explore the idea of 'Choose Respect' with their own children, particularly about how they can use their words to politely disagree and when it is necessary to find an adult to help them to manage a disagreement before it gets physical. Our team is going to start wearing hi-vis on the playground at breaktimes and lunchtimes so that the children can easily identify where the adults are in the area.

All staff at Applegarth know that safeguarding is EVERYONE'S responsibility. Find out more on our [Safeguarding Page](#).

For information about **Online Safety**, visit our dedicated [webpage](#).

You can also report any concerns you have to our [welfare email: dsl@applegarth.n-yorks.sch.uk](mailto:dsl@applegarth.n-yorks.sch.uk)

IMPORTANT – We are a 'NO NUTS'
school due to several children having severe allergies. Please check ingredients carefully and do not send in snacks/lunchbox items that contain nuts.

What Parents & Educators Need to Know about

FORTNITE

AGE RESTRICTION
PEGI
12

WHAT ARE THE RISKS?

Fortnite was launched back in 2017, but it remains massively popular – with more than 650 million active players. That's partially due to the competitive nature of its player-vs-player combat, its pop culture crossovers and its constantly shifting map. Significant updates are rolled out with each new version of the game – known as 'chapters' – and within these sit shorter 'seasons'.

ALWAYS ONLINE

There's no single-player offline mode in Fortnite: it can only be played online, internet access can sometimes be an issue when you're out and about (both in terms of connectivity and using up data), so you may find that dedicated young Fortnite players are often less enthusiastic about trips away – such as days out and holidays – than you might expect.

IN-GAME COSTS

Fortnite is free to download and play, but it does offer various additional purchases – cosmetic 'skins', music tracks and LEGO items – which don't really impact on gameplay but can cost a significant amount. These items are bought with in-game currency, V-Bucks – earned through completing the Battle Pass (which also costs V-Bucks) and can also be purchased from the game's store for real money.

POP CULTURE REFERENCES

Part of Fortnite's appeal is its ongoing crossovers with other popular franchises, ranging from movies and TV shows like Family Guy and Avatar: The Last Airbender to comic book characters including Batman to other games such as Street Fighter. This means you could have children asking questions about the monster from Alien or Geralt from The Witcher a little sooner than you otherwise might have.

CROSSPLAY AND PARTY CHAT

Fortnite is popular with many gamers of various ages. 'Crossplay' lets friends play with each other, regardless of whether they're on an Xbox, PlayStation, Nintendo Switch or PC – while the 'party chat' feature allows them to talk to each other during the game. This can, however, put youngsters at risk of hearing inappropriate language from older players in the heat of virtual combat.

VIRTUAL VIOLENCE

At its core, there's no avoiding that Fortnite is about shooting other players to eliminate them from the contest. That said, there's no blood or gore. The violence is rendered in a cartoonish style, and there are frequent comical touches to lighten the mood, such as fishing mini-games and dancing emotes. Machine guns, shotguns and other weapons often look and behave realistically, however, so discretion is advised.

FREQUENT UPDATES

The game's developers release content in 'seasons' that usually run for around ten weeks. Each fresh update sees items added to the in-game store, changes to the environment's map and a different over-arching theme (such as 'medieval', 'pirates' or 'party'). These regular renewals help to hold players' interest – but also give young gamers plenty of reasons to keep coming back.

Advice for Parents & Educators

MATCH GAMING TIMES

Younger players tend to play Fortnite with their friends. With that in mind, it could be worth speaking to the parents and carers of a child's social group and coordinating their gaming around certain times of day. Safety in numbers is obviously a factor here, but it will also help children feel that they're getting adequate opportunities to socialise with their friends online.

SET SPENDING LIMITS

Fortnite's rotating store is a not-so-subtle mechanism for coaxing players into buying sought-after items before they disappear for weeks or months. This could lead to surprise transactions on bank cards if children are tempted into an impulse purchase. Parents could consider getting a prepaid card for the child or ensuring that purchases require adult authorisation. This can be done through parental settings on a console or account settings in the Epic Games app on PC.

USE UPDATES AS REWARDS

Fortnite's seasonal updates are free, but each also brings the option of a 'battle pass', unlocking exclusive rewards for playing the game and completing set challenges. The passes cost around £8 and are also available as part of larger bundles. The purchase of passes can be an effective reward to young Fortnite fans for good behaviour or academic performance, or as an incentive for completing chores like tidying their room.

BE WARY OF SCAMS

The immense popularity of Fortnite with younger audiences – that are generally more trusting – means there's no shortage of scammers looking to fraudulently obtain passwords and other personal data through techniques like phishing. As the developers point out on many of Fortnite's loading screens, they never ask for a player's account password outside of the game; make sure any young player knows this.

ENJOY FORTNITE TOGETHER

Fortnite also offers split-screen gameplay, meaning that two people can play simultaneously on the same console or computer. This can be a good option for siblings or for when a child's friends visit, but it also offers an opportunity for parents and carers to do something fun with their child, while also making sure they're playing the game safely. Who knows? You might even teach them a thing or two!

OPAL

We need your help!

Despite the weather getting colder and wetter, we need to keep our school field open for OPAL at lunchtimes. To support us with this, please can your child have **wellies, or spare shoes** and a **waterproof coat with a hood** in school everyday. Their wellies/spare shoes should be in a plastic bag with their name on them

Digging Area

We would love to introduce a 'digging area' onto the field. We are asking for donations of **buckets, trowels, spades, forks etc.** These can be brought into school and given to Miss Mutch/Miss Coatsworth or left in our OPAL donation bin outside the front of the reception. Thank you for your continued support!

Bikes

We are really short of bikes that are suitable for our **KS2 children**. If your child is growing out of their bike and it is in good working order, we would happily accept your donation.

We also have EYFS/KS1 bikes in need of minor repairs – if there is anyone in our school community who knows their way around a bike and is happy to help, then please let us know at the School Office.

Smart Watches

As Christmas approaches, we'd like to remind parents that we do not allow smart watches in school. If children are seen to be wearing them, they will be put in the phone boxes and returned at the end of the day.

Do you know that our school has a Nursery for 3 year old children?

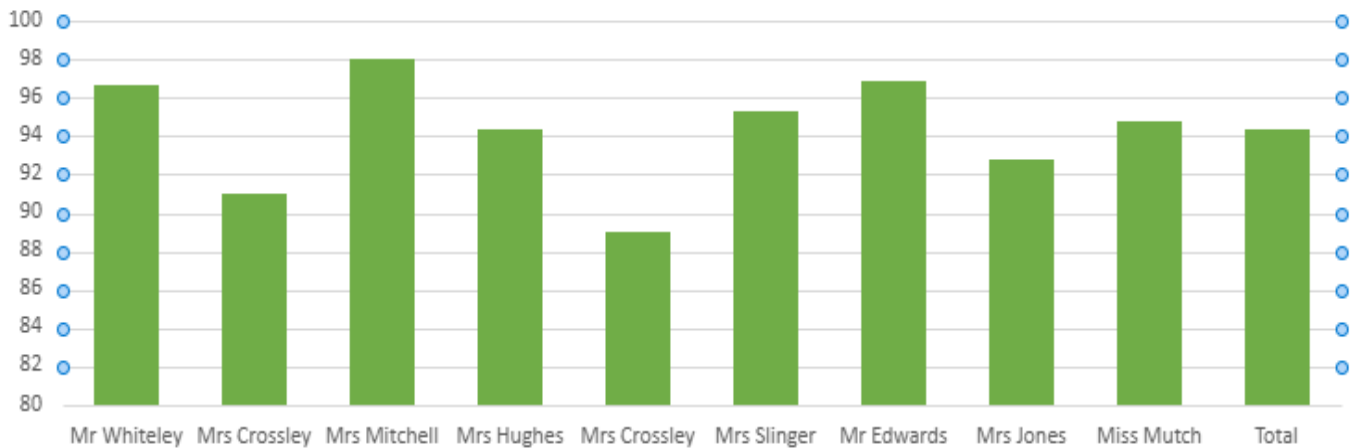

If you know anyone who would like to attend Applegarth Nursery, please scan the QR code which will navigate you to the website page where you can apply for a Nursery place.

You can apply at anytime but children will start the term after they turn 3.

Speak to one of the Nursery Team (Mrs Burrell, Miss Melville and Mrs Evans) if you have any questions.

A gentle reminder of our Attendance Policy.

Absence procedures

2.1. Parents will be required to contact the school office via telephone (01609 773521) **by 9:00am** at the latest on the first day of their child's absence **and on every subsequent day thereafter**. A message can be left on the absence line (Option 1) or directly with the school office (Option 2).

2.2. Reasons for absence are flagged and recorded on SIMs as evidence for attendance monitoring.

2.3. A first day absence call (FDAC) will be made to the parent/carer of any pupil who has not reported their child's absence on the first day that they do not attend school by 9:30am.
