

Friday 28th February 2025

Welcome back after half term! We hope you had a restful and enjoyable time with your families. As we settle back into our routines, we are excited for the busy weeks ahead.

Next week we have a lot to look forward to as the Book Fair has arrived in time for World Book Day. County Caterers have kindly donated some vouchers for the best costume and there is also a potato related competition (see poster below) with prizes.

The parents evening booking system went live yesterday. You can book slots in the usual way for your children via the Wraparound section of the School Gateway app.

Please can parents continue to use Applegarth car park and avoid using Upwell Road or the school driveway/car park, unless you have made a prior arrangement directly with me. Your support in this matter helps keep everyone safe and ensures access at all times for emergency vehicles.

Mrs Maxwell

Awards

The winners of this week's Golden Welly Award are *OPAL Ambassadors!*

Class	Chosen by Teacher	Chosen by Class
Mrs Burrell	Bobby	
Mr Whiteley	Jimmy	Remi
Mrs Crossley	Aria	Wren
Mrs Mitchell	Iris	Lennie
Mrs Hughes	Eddie	Thomas
Mrs Cross	Amelia-Rose	Zakhar
Mrs Slinger	Iris	Brooke
Mr Edwards	Harry	Myla
Mrs Jones	Gracie-Mae	Finn

BOOKS
FOR OUR
SCHOOL!

COME TO THE BOOK FAIR

Book Fair : Applegarth Primary School Hall

Tuesday 4th March 3.20pm-4.20pm

Wednesday 5th March 3.20pm-4.20pm

Thursday 6th March 3.20pm- 5.30pm (parents evening and World Book Day).

Book Fair Fun!

Want a chance to win a £5 book fair voucher? We have five vouchers to give away! Dress a potato as your favourite character, and the Reading Ambassadors will vote to determine the winners.

Entries must be brought into school by Thursday 6th March with names attached.

World Book Day 2025

World Book Day is Coming!

Get ready to celebrate World Book Day on **Thursday, March 6th!**

We encourage all students and staff to join in the fun by dressing up as their favourite character from **Where's Wally!**

You could come as the iconic **Wally** himself, the mischievous **Odlaw**, the wise **Whizard Whitebeard**, the loyal **Woof**, the adventurous **Wilma**, or the curious **Wenda**. We also need some **people in the background**, so you can come dressed in normal clothes too.

Let's have a colorful and exciting day filled with the magic of reading!

myHappymind Free Parent App

We're super excited about My Happy Mind and how much the children LOVE it! It's been fantastic teaching these lessons at school, and now you can join the fun at home!

My Happy Mind has created a **FREE Parent App** packed with awesome resources. You can use it on your computer or phone to see what your child is learning, complete mini masterclasses, enjoy fun activities together, and even explore the **Kids Zone** with games and more!

Ready to get started?

1) Go to: <https://myhappymind.org/parent-resources> to create your free account.

2) Enter your name, email, and this code: **121308** ... or simply scan this QR code!

3) Check your email for the next steps to download the app.

We're so thrilled to share this amazing app with you. It's a fantastic way to support your child and continue the Happy Mind journey together!

Any questions? Just ask your class teacher - we're here to help!

What Parents & Educators Need to Know about

TIKTOK

AGE RESTRICTION
13+
(Certain features are restricted to over-18s only)

Adults tend to associate online videos with YouTube – but among teens, TikTok is king. The app provides a stream of short clips tailored to users' interests, based on what they've already watched. Around half of British children use TikTok, and while much of the content is benign, Ofcom considers it the app where youngsters "were most likely to encounter a potential harm".

WHAT ARE THE RISKS?

AGE-INAPPROPRIATE CONTENT

While TikTok's Following feed only displays videos from familiar creators, For You is a collection based on a user's previously watched clips. Most of these videos will probably be inoffensive, but the app *could* potentially show something unsuitable. If children then engage with this content, more like it will follow. TikTok's guidelines prohibit the sharing of illegal or inappropriate content, but the huge number of uploads means that a small amount inevitably slips through.

BODY IMAGE AND DANGEROUS CHALLENGES

According to Ofcom, most online harms for teens are body image related for girls (promoting unhealthy eating, body shaming and so on) and dangerous stunts for boys. Both are prevalent on TikTok. One extreme example of the latter was the 'blackout' trend, which encouraged users to hold their breath until they passed out from a lack of oxygen. This led to two families filing lawsuits against TikTok over the tragic deaths of their children.

IN-APP SPENDING

TikTok is free, but users have the option to buy TikTok coins, which can be used to purchase gifts for content creators. Coin bundles range from £9.99 to an eye-watering £99; while that may not sound appealing, the app still generated £7.9 billion in user spending in 2023. TikTok's policy is that under-18s can't make in-app purchases, but it's possible to bypass this with a fake birth date.

CONTACT WITH STRANGERS

With more than 1.5 billion users globally, the potential for contact with strangers on TikTok is high – especially as accounts created by over-16s (or young people using a fake date of birth) are set to public by default. This means that not only is someone's profile visible to everyone else on the app, it also suggests their videos to others and enables anyone to download or comment on them.

MISINFORMATION AND RADICALISATION

Although the short videos on TikTok tend to be more frivolous than the longer ones on YouTube, clips can still influence impressionable minds in a negative way. Not only is there plenty of dangerous misinformation on TikTok, but Ofcom reports that nearly a third of 12 to 15-year-olds use TikTok as a news source – so you should be wary of misogynistic, racist or conspiracy-themed material shaping how they see the world.

ADDICTIVE DESIGN

With its constant stream of eye-catching videos, TikTok can be addictive to young brains. In 2024, UK children spent an average of 127 minutes per day on the app; that's twice as much as in 2020. Excessive use can interfere with young people's sleep patterns – often leading to irritability – and distract them from other, healthier activities. The instantly skippable nature of bite-size videos may also impact children's ability to maintain focus.

Advice for Parents & Educators

ENABLE FAMILY PAIRING

Family Pairing allows parents to link their TikTok account to their child's, and control settings remotely. Parents can then turn on Restricted Mode (reducing the chances of a child seeing inappropriate content), set screen-time limits, make accounts private and manage whether their child can send messages – and if they can, to whom. Children can't alter these settings without parental approval.

DISCUSS THE DANGERS

If a child wants to use TikTok and you're happy for them to do so, it's good practice to discuss the potential risks. Ensure that they don't share any identifying personal information, and that they know to talk to a trusted adult if they're worried by interactions on the app. With more teens using TikTok for news, it's also worth talking about misinformation and propaganda, and how to identify it.

BLOCK IN-APP SPENDING

If a child is using an iPhone or Android device to access TikTok, you can alter their settings to prevent them from making in-app purchases. We'd recommend enabling this feature, as it can be quite easy for a young person to spend a significant amount of real money buying TikTok coins to unlock more features of the app – sometimes without even realising.

READ THE SIGNS

If you're concerned that a child is spending too much time on TikTok, or that they've been emotionally affected by something they've seen, it's important to know how to spot the signs. Increased irritability and a lack of concentration are potential red flags, as is failing to complete homework or skipping meals. Remember, the parental controls are there for a reason, and it's never too late to introduce limits.

OPAL

We need your help!

Despite the weather getting colder and wetter, we need to keep our school field open for OPAL at lunchtimes. To support us with this, please can your child have **wellies, or spare shoes** and a **waterproof coat with a hood** in school everyday. Their wellies/spare shoes should be in a plastic bag with their name on them

Den Building Area

We are aiming to develop our den building area. Tarp, crates, wooden planks and pallets are all great examples of what you could donate to our school to spark our creativity.

Bikes

We are really short of bikes that are suitable for our **KS2 children**. If your child is growing out of their bike and it is in good working order, we would happily accept your donation.

We also have EYFS/KS1 bikes in need of minor repairs – if there is anyone in our school community who knows their way around a bike and is happy to help, then please let us know at the School Office.

As always we appreciate your
support in improving the lives
of all of the children of
Applegarth Primary School

SAFEGUARDING NOTICES

Safeguarding is everyone's responsibility

We are trying to promote 'Choose Respect' with the children in school this term. Part of our safeguarding agenda is to promote safe ways of dealing with conflict on the playground without resorting to getting physical (e.g. pushing and shoving).

We are asking all parents to explore the idea of 'Choose Respect' with their own children, particularly about how they can use their words to politely disagree and when it is necessary to find an adult to help them to manage a disagreement before it gets physical. Our team is going to start wearing hi-vis on the playground at breaktimes and lunchtimes so that the children can easily identify where the adults are in the area.

All staff at Applegarth know that safeguarding is EVERYONE'S responsibility. Find out more on our [Safeguarding Page](#).

For information about **Online Safety**, visit our dedicated [webpage](#).

You can also report any concerns you have to our [welfare email](#):

dsl@applegarth.n-yorks.sch.uk

IMPORTANT – We are a 'NO NUTS'
school due to several children having severe allergies. Please check ingredients carefully and do not send in snacks/lunchbox items that contain nuts.

Attendance w/c 10th February 2025

A reminder that the school gates are opened at **8:40am** each morning. School **STARTS at 8:50am**. It is important that your child/ren are through the gate by 8:50am and are at school on time each day. Children in each class start work from the moment they enter the classroom and it is important that from a safeguarding perspective that all staff are in the right place at the right time too. If you are late, this becomes lost learning time which can make further lessons more challenging.
